BUSSINESS BENIFITS

Never Miss a Bill

Track unbilled logs easily so every job gets paid.

Bill On Your Schedule

Create single or bulk invoices whenever it suits you.

Skip the Excel Work

Auto-print or export container annexures with your bills.

Everything in One Place

Manage all vehicles, containers, and logs from one screen.

Cut Down Paperwork

Convert daily log sheets into invoices to save time.

CORE FEATURES

Logs Creation

Create log sheets with container & vehicle details

Custom Logs Billing

Bill selected log sheets — bulk or single, party-wise

Easy Tracking

Track container handling activity from one place

Bill Printing

Print bills with annexure. Print or export the annexure alone

Log Reports

Unbilled log sheets report — see exactly what's pending billing

IMPLEMENTATION & SUPPORT

PRE BUILD MODULES
